GRANITE COLLECTION

CONTEMPORARY, HAND-SELECTED NATURAL STONE

rudischoice.co.za

9th edition

Featured Product

GIALLO ORNAMENTALE GRANITE - COUNTERS

****IMPORTANT**

Each block of granite is unique, therefore colour, patterning and movement can vary from slab to slab. The images of products in this catalogue are representations only. If specific colour and movement is required we recommend that the final selection of material be made at our warehouses in person. The warehouse staff will happily reserve your slabs for 7 days until you have finalised arrangements with the fabricator of your choice. For more information on recommended fabricators, please visit our website at **rudischoice.co.za.**

Rudi

GRANITE COLLECTION

One of the most versatile and hard-wearing stone cladding materials available, Rudi's Choice granite is ideal for cladding walls, columns and floors and perfectly suited for use as countertops. Rudi's Choice granite offers you a selection of local and imported granite materials with a wide variety of colours and natural patterns, sure to suit any design project. For exceptional interior decor, Rudi's Choice offers a select collection of rare onyx materials that will take your breath away. Push your design boundaries with Rudi's Choice granite and onyx collections.

Visit rudischoice.co.za for more information on our product ranges.

“Granite” describes stones that originate from deep in the earth’s molten mantle. As this lava-hot material rises and cools, it forms a crystalline, granular structure, which is where its name comes from. Such stones are made up of minerals such as quartz, feldspar and mica.
These combinations create a very hard stone ideal for kitchen counters. Granite is durable enough to resist mild scratching from knives and pots and pans.
Featured Product
VISCON WHITE GRANITE

IVORY CREAM / GRANITE

OUR COMMITMENT

Rudi's Choice specialises in importing contemporary granite, marble and onyx sourced from around the world. We offer the best quality, value-for-money material possible. Each block of natural stone is inspected by an expert at the source, then shipped to local shores by sea. Granite, marble and onyx are the classic choice – high quality stone lasts for generations with its durability and aesthetic longevity. Create a striking or inviting space in any area of your home, retail or office spaces with the beauty of natural stone and granite.

SELECT YOUR OWN SLAB!

With inspiring colours to choose from and the finest quality materials from all over the globe, we make choosing your surface material so much easier. Visit our warehouse and select your own slab, to make the best decision for your design project.
